DESCRIBE YOURSELF

I am a 36 years old Hungarian man. I came to Denmark in 2013 to work on a pig farm together with my wife. My co-workers think that I can be in a good mood even in stressed times, and they can trust in my help. I think about myself, that machines are very important for me, and I would be happy, if I could continue the job with machines on a farm with good machine park. I have 20 years' experience with pigs, 4 years with horses, and 15 years with tractors. I have driver license from car, truck, bus, construction machine, heavy machine and lifting machines.

WHY DO YOU WANT TO CONTINUE WORKING IN DENMARK?

I would like to work together with my wife, and agriculture can rarely offer possibility to that. If we could get a job, where I can work with machines and my wife can be a farm manager, would be good.
