DESCRIBE YOURSELF

I am a very curious guy, I like to learn new things and acquire new skills, a good handyman who enjoys escaping into nature. I am also tired of working with crowds of people. I'm good with tools, also good at castrations, very fast learner. In my free time I like walks into the forest, playing guitar, and listening to music.

WHY DO YOU WANT TO CONTINUE WORKING IN DENMARK?

I enjoy working with animals and the working conditions in Denmark's livestock industry are superior to those in my homeland

EDUCATION

High School
