CANDIDATE'S OWN WORDS

Describe yourself: I'm a responsible and adaptable person who enjoys helping others and finding clear solutions. I stay calm, learn quickly, and value spending time with my family. I'm confident in areas like cow nutrition, basic animal health, milking hygiene, breeding, calf care, farm productivity, sustainability, and animal welfare.
Why do you want to work on a farm? I want to continue working on a farm in Denmark because since moving here in 2017, I discovered a genuine connection to farm animals and the meaningful work behind dairy farming. It gives me purpose, and I enjoy contributing to a place where proper care and responsibility make a real difference.
